

SecturaPAQ: *Win More*

Experience the look and feel of SecturaSOFT's quoting and estimating solution for packaging customers; SecturaPAQ. The tool allows manufacturers to optimize and automate their packaging, printing, and container cutting activities. SecturaPAQ uses graphical representation & nesting logic to optimize the quote generation process for manufacturers primarily in the folded carton and print & pack industries. Below is a video that provides a high-level overview of the tool.
